The memoirs of India's first President Dr. Rajendra Prasad make a great contribution to the study of Indian politics. First published in Hindi, his autobiography takes us through his childhood, his life in his village Chhapra, his early education with his teacher Maulvi Sahib, his years as a student in Calcutta, his marriage at the age of twenty and his legal practices. It discusses not only his personal tribulations, but also is an examination of the last twenty years of colonial rule in India. As a freedom fighter and close associate of Gandhi, Rajendra Prasad was privy to political development in India before independence. He records Gandhi's influence on him, the call for non-cooperation in 1919 as part of Gandhi’s larger anti-India movement, the boycott of foreign cloth, the shadow of communalism and the Hindu-Muslin question, Satyagraha and social reform. This book is testimony to Rajendra Prasad's deep humanity, his unswerving nationalism and belief in democracy. It is also an exploration of the foundations of modern India.

Biography of Sardar Vallabhbhai Patel

The book gives vivid description of role played by Sardar Vallabhbhai Patel in achieving Independence for India and thereafter in solving various crucial problems including integration of Princely states. He was the first prime minister of independent India. A naturally stoic man, Patel, unlike Gandhi or Nehru, wrote no personal history. He famously argued that its was better to create history than write it. This is why even his deepest inspirations and misgivings and quarrels have been easily buried. But every warning that Patel left for India - from the dangers of allowing groups to create their own map for a Bharatvarsha to his thoughtful criticism on India's approach to Kashmir, Pakistan and China - are all today relevant and important. It is impossible to read about Patel, who died in 1950, and not feel that had he lived on, India might have been a different country. It is also impossible to ignore Patel and understand not only what the idea of India is but also what it could have been, and might be in the future. The Man Who Saved India is a sweeping, magisterial retelling of Patel’s story. With fiercely detailed and pugnacious anecdotes, multiple award-winning, best-selling writer Hindol Sengupta brings alive Patel’s determined life of struggle and his furious service of the Motherland. Reminiscences of some greatest social workers who relentlessly and untiringly burnt their lives to glow the motherland Maa Bharati. The Sardar has been progressing continuously. A large number of people have contributed in taking ahead this task. Prime Minister Shri Narendra Modi, a Swayamsevak himself, during his journey for independence India. A naturally stoic man, Patel, unlike Gandhi or Nehru, wrote no personal history. He famously argued that it was better to create history than write it. This is why even his deepest inspirations and misgivings and quarrels have been easily buried. But every warning that Patel left for India—from the dangers of allowing groups to create their own map for a Bharatvarsha to his thoughtful criticism on India's approach to Kashmir, Pakistan and China—are all today relevant and important. It is impossible to read about Patel, who died in 1950, and not feel that had he lived on, India might have been a different country. It is also impossible to ignore Patel and understand not only what the idea of India is but also what it could have been, and might be in the future.

The Man Who Saved India is destined to define Patel's legacy for future generations.

Sardar Vallabhbhai Patel

Think and Grow Rich

Maulana Azad is considered one of the greatest Urdu writers of the 20th century. He has written many books including India Wins Freedom, Ghubar-e-Khatir, Tazkirah, Tarjumanul Quran, etc. It is only said that his book India Wins Freedom is about his political life and Ghabar-e-Khatir deals with his social and spiritual life.

Why I Assasinated Mahatma Gandhi?

This biography of Sardar Vallabhbhai Patel is a comprehensive and vivid narration of his unique contribution to Mahatma Gandhi's struggle for India's freedom (1920-47). Without Sardar Vallabhbhai Patel's support, Mahatma Gandhi admitted, his satyagrahas wouldn't have had the same success. It was he who built the party machine through imposition of strict discipline and by giving it a mass base, and prepared the country for a futureless army of volunteers, and formed the government of the independent India. A naturally stoic man, Patel, unlike Gandhi or Nehru, wrote no personal history. He famously argued that it was better to create history than write it. This is why even his deepest inspirations and misgivings and quarrels have been easily buried. But every warning that Patel left for India—from the dangers of allowing groups to create their own map for a Bharatvarsha to his thoughtful criticism on India's approach to Kashmir, Pakistan and China—are all today relevant and important. It is impossible to read about Patel, who died in 1950, and not feel that had he lived on, India might have been a different country. It is also impossible to ignore Patel and understand not only what the idea of India is but also what it could have been, and might be in the future.

The Man Who Saved India is destined to define Patel's legacy for future generations.

The Indomitable Sardar

Vallabhbhai Javerbhai Patel occupies a prominent place among those heroic men and women who worked for India's freedom and helped not only to win it but also to consolidate it. Although he came to public life only in his early forties, his thirty-three years of work in the cause of the nation is full of many-splendoured achievements. Along with Gandhi, Jawaharlal Nehru and some other leaders, he dominated the politics of the country during the crucial thirty years from 1920 to 1950. He was not only a great leader of the masses but also a far-seeing statesman and an able administrator who handled with consummate mastery and finesse the complex problems facing the new Government. This pictorial biography brings out the glimpses of the life of Patel through rare archival photographs and facsimiles of letters. The book captures the powerful moments of his life - the childhood days, lawyer life, the valiant years of resolute nationalist struggle, his journeys to weave the country together and nation's homage during his final journey. This pictorial biography will cement the continuing relevance of his legacy.

Words of Freedom

Bhagat Singh is a name that became synonymous with revolution in India's struggle for Independence. This young boy brought about a change in the way people thought about freedom. He was well read and fought extensively for rights - his own, his comrades' and his countrymen's. A discussion with a friend soon turned into a matter of self-assessment for Bhagat Singh, leading to a discourse on why he chose to be an atheist. Even in the face of death at a very young age, his uncanny observation leads him to put forth some pertinent questions. On another occasion, he was disappointed with his father's plea in court for his innocence and chose to write a letter to him. This book is a collection of eighteen of his valued writings from within the walls of prison and outside it, which show us the resolve in his words, and the bravery in his acts subsequently.

Jyotipunj

This volume contains the biographical sketches of those freedom fighters who were hanged or killed in the course of our national struggle from 1857 to 1947.

Sardar Patel

A New And Illuminating Portrait Of One Of The Greatest Figures Of The Twentieth Century. Mohandas Karamchand Gandhi Has Been The Subject Of Over A Dozen Well-Regarded Biographies, Yet Key Aspects Of The Man Still Prove Elusive. In This Book, Rajmohan Gandhi, A Grandson Of Mahatma Gandhi And An Acclaimed Biographer And Scholar, Attempts To Understand The Phenomenon That Was Gandhi. This He Does By Examining In Detail Dominant And Varied Themes Of Gandhi'S Life-His Unsuccessful Bid To Keep India United, His Attitude Towards Caste And Untouchability; His Relationship With Those Whose Empire He Challenged; His Controversial Experiments With Chastity; His Views On God, Truth And Non-Violence; And His Selection Of Heirs To Lead A New-Born Nation. Inside Story of Sardar Patel

Sardar Vallabhbhai Patel: The Man Who Unified India

In this award-winning novel, Tharoor has masterfully recast the two-thousand-year-old epic, The Mahabharata, with fictional but highly recognizable events and characters from twentieth-century Indian politics. Nothing is sacred in this deliciously irreverent, witty, and deeply intelligent retelling of modern Indian history and the ancient Indian epic The Mahabharata. Alternately outrageous and instructive, hilarious and moving, it is a dazzling tapestry of prose and verse that satirically, but also poignantly, chronicles the struggle for Indian freedom and independence.

Sardar Vallabhbhai Patel

Vallabhbhai Patel, 1875-1950, Indian statesman.

WOF : Vallabhbhai Patel

Without wasting time on any further questions, Shankar dialled the telephone number of the Prime Minister's residence. Unfortunately, the Prime Minister had left for the radio station. Shankar rushed back to give the message to Sardar. Sardar impatiently said: "Shankar, leave immediately for the radio station. Go quickly. Try to hold back the Prime Minister's speech. By no means should the matter related to plebiscite and UNO be relayed. If this happens, the whole country will be put into a great trouble. If need be, cancel this programme. Please leave immediately." Having waded through the traffic on the way, Shankar reached finally to the radio station but he was late. The Prime Minister was reading his speech on the microphone. Shankar heard him referring to the plebiscite and UNO. The whole world was listening to it. Shankar banged his head... — Extract from this novel A biographical novel on the Iron Man of India Sardar Patel which brings to light various known-unknown facets of his inspiring life. His contribution and efforts for the unification of princely states laid the foundation for a sovereign Bharat. A must read book for every true Indian.

Sardar- The Sovereign Saint
The Sardar of India

India's Freedom

As prime minister of Britain, Winston Churchill had ordered the preparation of an imperial strategy with the intention of Balkanizing India and tightening Britain's post-war hold over her. The strategy envisaged two Pakistanis, one in the west and the other in the east, both large in size at India's expense; the west to include the non-Muslim east Punjab; the east, the whole of Bengal (despite Hindus comprising almost half the population), and the predominantly Hindu Assam. Within her borders, India was to be Balkanized with the creation of independent confederations of princely states. A treaty's policy statement of 20 February 1947 was to implement the same, and M. M. M. M. had been given the mandate to transfer power and quit India by June 1948, a date that was advanced to August 1947. However, Sardar Vallabhbhai Patel foiled Churchill's strategy. This book examines Patel's extraordinary contribution, from his unfailing support to Gandhi's satyagrahas and the Indian freedom struggle, to his farsighted and courageous approach in building a strong, integrated India.

Contributed articles on the life and work of V alabhbhai Patel, 1875-1950, politician and statesman from India.

Gandhi, Patel

The 'Iron Man of India', Sardar Patel played a leading role in the Indian freedom struggle. One of the leaders of Indian National Congress and founding fathers of Republic of India. He was a strong-willed man. He fought for the rights of the farmers and proclaimed by them as their leader or 'Sardar'. a barrister by profession, he was much influenced by Mahatma Gandhi and joined the freedom struggle. A after independence, he successfully united various princely states of India to form a United India. His life is one of brilliance, fearlessness, resoluteness and, above all, strength of character. This iron-man had a soft and compassionate heart. His life inspires all to inculcate the qualities which make a man great.

Life and Works of Sardar Vallabhbhai Patel

Feroze Gandhi is often remembered as Indira Gandhi's husband and Jawaharlal Nehru's son-in-law. But who was Feroze Gandhi? A Congress worker, a young freedom fighter, a parliamentarian, or just another Gandhi? Driving into the history of the Nehru-Gandhi family, the Swedish journalist Bertil Falk brings together his 40-year-old research in this biography of Feroze Gandhi. Including first-hand interviews of people close to Feroze and personal experiences of the author with some rare photographs, this volume brings to light his significant, yet unrecognized, role as a parliamentarian, in cases such as the Mundhra case, Life Insurance and Freedom of Press Bill. It also busts some myths about Feroze's controversial birth, his personal life, his importance as a politician, and his relationship with the Nehrus. With interesting details about Feroze as a young boy in Allahabad, to his years as a freedom fighter, journalist, Congressman and a politician, this volume examines the chronology of events that shaped the life of Feroze.

Sardar Patel

The Think and Grow Rich Workbook-A high-quality, spiral-bound workbook to fulfill the suggestions and exercises found in, and inspired by, Think and Grow Rich. The Think and Grow Rich Success Journal-A ninety-day journal to create a goal, catalog "wins," stay on track, write action items, and create a record of your journey to success. Includes a bonus CD of powerful affirmations! A great gift for everyone wanting to succeed in life!

The Great Indian Novel

This is the first-ever publication of the hitherto unknown diary of Sardar Patel's daughter. Maniben generally accompanied Patel everywhere and was present with the Sardar at most of his meetings. She was therefore privy to what transpired in these meetings and also to Sardar's views and innermost thoughts on various historic and sensitive issues which he often could not otherwise express even to his closest friends and colleagues. Then, too, having earlier spent many years looking after Gandhi, and possessed of high intelligence, Maniben understood both the context and the significance of the unfolding events and the dramatic personae of the times. The diary runs from 8 June 1936 till Sardar's death on 15 December 1950, and is particularly detailed after Patel's release from jail in 1945. It offers a wealth of often revealing, sometimes explosive details and insights into that defining period in India's history which encompasses the country's independence, partition, integration of the princely states, Gandhi's assassination, and then the initial, crucial years of India's self-governance, in all of which Patel's was an indispensable, pivotal role.

Sardar Vallabhbhai Patel, the Nation Builder

Written towards the end of 1937 during his Europe trip, after being nominated the President of the Indian National Congress, An Indian Pilgrim traces Bose's life story from birth till his resignation from the Indian Civil Service. It is an astounding account of his ideological development and his singular focus on India's reconstruction in which Swami Vivekananda played a large part—"I was barely fifteen when Vivekananda entered my life. Then there followed a revolution within and everything was turned upside down." The book recounts the development of the spirit of service, sacrifice and zeal for national liberation, which were the driving forces of his life. We hope this publication will gain wide circulation so that the spirit of Subhas Chandra Bose becomes the guiding light of the country's youth in these disturbing times.
