Dressing The Queen The Jubilee Wardrobe

Prince Charles

From the internationally acclaimed and bestselling historians William Dalrymple and Anita Anand, the first comprehensive and authoritative history of the Koh-i-Noor diamond, arguably the most celebrated jewel in the world.

On March 29, 1849, the ten-year-old leader of the Sikh kingdom of the Punjab was ushered into the magnificent Mirrored Hall at the center of the British fort in Lahore, India. There, in a formal Act of Submission, the frightened but dignified child handed over to the British East India Company swathes of the richest land in India and the single most valuable object in the subcontinent: the celebrated Koh-i-Noor diamond, otherwise known as the Mountain of Light.

To celebrate the acquisition, the British East India Company commissioned a history of the diamond woven together from the gossip of the Delhi Bazaars. From that moment forward, the Koh-i-Noor became the most famous and mythological diamond in history, with thousands of people coming to see it at the 1851 Great Exhibition and still more thousands repeating the largely fictitious account of its passage through history. Using original eyewitness accounts and chronicles never before translated into English, Dalrymple and Anand trace the true history of the diamond and disperse the myths and fantastic tales that have long surrounded this awe-inspiring jewel. The resulting history of south and central Asia tells a true tale of greed, conquest, murder, torture, colonialism, and appropriation that shaped a continent and the Koh-i-Noor itself.

HRH

A new educational book all about England’s Kings and Queens from Ladybird. Ladybird Histories: Kings and Queens is the ideal first reference book for primary school children. It is packed with information about England’s monarchs in chronological order, including King Henry VIII, Queen Elizabeth I, and Queen Victoria, all the way up to the present day. Rage

NEW YORK TIMES BESTSELLER • The life and loves of Prince Charles are illuminated in a major new biography from the New York Times bestselling author of Elizabeth the Queen—perfect for fans of The Crown. Sally Bedell Smith returns once again to the British royal family to give us a new look at Prince Charles, the oldest heir to the throne in more than three hundred years. This vivid, eye-opening biography—the product of four years of research and hundreds of interviews with palace officials, former girlfriends, spiritual gurus, and more, some speaking on the record for the first time—is the first authoritative treatment of Charles’s life that sheds light on the death of Diana, his relationship with Camilla, and his preparations to take the throne one day. Prince Charles brings to life the real man, with all of his ambitions, insecurities, and convictions. It begins with his lonely childhood, in which he struggled to live up to his father’s expectations and sought companionship from the Queen Mother and his great-uncle Lord Mountbatten. It follows him through difficult years at school, his early love affairs, his intellectual quests, his entrepreneurial pursuits, and his intense search for spiritual meaning. It tells of the tragedy of his marriage to Diana; his eventual reunion with his true love, Camilla; and his relationships with William, Kate, Harry, and his grandchildren. Ranging from his glamorous palaces to his country homes, from his globe-trotting travels to his local initiatives, Smith shows how Prince Charles possesses a fiercely independent spirit and yet has spent more than six decades waiting for his destined role, living a life dictated by protocols he often struggles to obey. With keen insight and the discovery of unexpected new details, Smith lays bare the contradictions of a man who is more complicated, tragic, and compelling than we knew, until now. Praise for Prince Charles “[Smith] understands the British upper classes and aristocracy (including the royals) very well indeed. . . . [She] makes many telling, shrewd points in pursuit of realigning the popular image of Prince Charles.”—William Boyd, The New York Times Book Review “[A] masterfully account.”—The Wall Street Journal “Thoroughly researched and insightful . . . In this profile, it is clear [Smith] got inside the circular barriers that protect the man and his position. The Charles that emerges is, as the
future queen. A shy and reserved child, she grew into a wise and insightful monarch who has dealt ably with nine
difficult times when the world faced a precarious future, and she has served as a role
model for generations of men and women who continue to be in awe of her commitment to service, sacrifice, and the
privilege. Royalty often came to stay, and her house was run in the style of Downton Abbey. During the Second World
War, she "lodged" at Buckingham Palace while she worked for MI5. She was a bridesmaid at the wedding of her
cousin, Princess Elizabeth, to Prince Philip. Three years later, the King and Queen attended her own wedding, in
which Princess Margaret was a bridesmaid. In 1990, she was appointed as a lady-in-waiting to the Queen Mother,
acting also as her companion, which she describes in touching detail. In the early months of 2002, she spent as much
time as possible with her ailing aunt and was at her bedside when she died. The next morning, she went to Queen
Elizabeth’s bedroom to pray, and in farewell dropped her a final curtsey. The Queen Mother regarded Margaret
Rhodes as her “third daughter,” and she has been extremely close to her cousins, the Queen and Princess Margaret,
throughout their lives. Full of charming anecdotes, fascinating characters, and personal photographs, this is an
unparalleled insight into the private life of the British monarchy. “Surprisingly addictive.” — New Zealand Herald

Dress Up Kate

The bestselling behind-the-scenes memoir of the royal family by a cousin who served in MI5— and as one of the
Queen’s bridesmaids. Includes photos! A Sunday Times number one bestseller in the United Kingdom, this is the
intimate and revealing autobiography of Margaret Rhodes, first cousin of Queen Elizabeth II and niece of Queen
Elizabeth, the Queen Mother. Margaret was born into the Scottish aristocracy, into a now almost vanished world of
beloved figures of the twentieth century. One is a beautiful commoner, the university-educated daughter of a flight
attendant-turned-millionaire entrepreneur, a fashion scion who is the equal of her adored mother-in-law, and the first woman
in the heart of the British royal family today: Queen Elizabeth II, Camilla Parker-Bowles, and Kate Middleton—from the #1
New York Times bestselling author of The Good Son, These Few Precious Days, and The Day Diana Died. One has
been famous longer than anyone on the planet—a dutiful daughter, a frustrated mother, a doting grandmother, a steel-
willied taskmaster, a wily stateswoman, an enduring symbol of an institution that has lasted a thousand years, and a
global icon who has not only been an eyewitness to history but a part of it. One is the great-granddaughter of a
King’s mistress and one of the most famous “other women” of the modern age—a woman who somehow survived a
firestorm of scorn to ultimately marry the love of her life, and in the process replace her arch rival, one of the most
unenduring symbol of an institution that has lasted a thousand years, and a
global icon who has not only been an eyewitness to history but a part of it. One is the great-granddaughter of a
King’s mistress and one of the most famous “other women” of the modern age—a woman who somehow survived a
firestorm of scorn to ultimately marry the love of her life, and in the process replace her arch rival, one of the most
beloved figures of the twentieth century. One is a beautiful commoner, the university-educated daughter of a flight
attendant-turned-millionaire entrepreneur, a fashion scion who is the equal of her adored mother-in-law, and the first woman
since King George V’s wife, Queen Mary, to lay claim to being the daughter-in-law of one future king, the wife
another, and the mother of yet another. Game of Crowns is an in-depth and excellently researched exploration of the
lives of these three remarkable women and the striking and sometimes subtle ways in which their lives intersect and
intermingle. Examining their surprising similarities and stark differences, Andersen travels beyond the royal palace
walls to illustrate who these three women really are today— and how they will directly reshape the landscape of the
monarchy.

Gloriana

A moving and compulsively readable look into the lives, loves, relationships, and rivalries among the three women
in the heart of the British royal family today: Queen Elizabeth II, Camilla Parker-Bowles, and Kate Middleton—from the #1
New York Times bestselling author of The Good Son, These Few Precious Days, and The Day Diana Died. One has
been famous longer than anyone on the planet—a dutiful daughter, a frustrated mother, a doting grandmother, a steel-

Well Met

One day can change your life! It’s 1977, the day of the Queen’s Silver Jubilee, when a photographer captures a
moment forever: a festive street party with bunting and Union Jacks fluttering in the breeze and, right in the centre of
the frame, a small Asian boy staring intensely at the camera. The photo becomes infamous when it is adopted as a
symbol of everything that is great and good about Britain, but what is the real story behind it? Relationships between
the neighbours on Cherry Gardens are far from easy, and minor frictions threaten to erupt as the street party begins
Fast forward to the present and that boy, Satish, is now a successful paediatric heart surgeon, saving lives and
families every single day. But he’s living with a secret - he’s addicted to controlled prescription drugs. A message
about a proposed reunion of the children in the photograph throws his life into turmoil as he thinks back to Jubilee
Day, and the events that changed his life for ever.

Anger, Guilt and Shame - Reclaiming Power and Choice

Her Royal Highness Queen Elizabeth II has reigned for 64 years, longer than any British monarch in history. During
that time the Queen has endured the ups and downs that long life will bring. She was a beacon of hope during and
after the Second World War in difficult times when the world faced a precarious future, and she has served as a role
model for generations of men and women who continue to be in awe of her commitment to service, sacrifice, and the
Commonwealth of nations over which she rules. The abdication of her uncle, Edward VIII, in 1936 turned her family’s
world upside-down. When her father was crowned King George VI, Elizabeth was thrust into the eye of the storm as a
future queen. A shy and reserved child, she grew into a wise and insightful monarch who has dealt ably with nine
British Prime Ministers during her long reign, from Winston Churchill to Theresa May. It was, of course, not always straightforward and the Queen has found herself in hot water several times, most notably during the marriage of Prince Charles and Diana, Princess of Wales. When Diana was tragically killed in a car crash the standing of the Royal Family was probably at its lowest ebb. It is unlikely that we will ever see a monarch reign so long or so effectively again, holding together a disparate group of nations, each with its own aspirations, customs and traditions. Catherine Ryan has written an intriguing biography of one of the most famous women of modern times, who at 91 years old still seems fit and healthy and looks very unlikely to hand over the reins to her successors any time soon.

**Ballgowns**

**Queen's Jewels**

A full-spectrum collection of photos of the Queen, paired with illuminating captions explaining each outfit, spanning nine decades of fashion and every color of the rainbow. This riotously colorful book takes a photographic journey through Queen Elizabeth II’s ten decades of color-blocked style. The photographs, which span the colors of the rainbow and a century of style, are gloriously accessorized with captions and commentary by journalist and broadcaster Sali Hughes, who gives fascinating context to each photo. Readers will learn how the Queen has used color and fashion in strategic and discreetly political ways, such as wearing the colors of the European flag to a post-Brexit meeting or a pin given to her by the Obamas to a meeting with Donald Trump. With stunning photographs that span from the 1950s to today, and featuring brilliant colors ranging from the dusky pinks the Queen wore in girlhood through to the neon green dress that prompted the hashtag #NeonAt90, this must-have collection celebrates the iconic fashion statements of the UK’s longest reigning and most vibrant monarch.

**Queen Elizabeth II and the Royal Family**

The official companion to the Emmy-winning Netflix drama chronicling the reign of Queen Elizabeth II, and starring Claire Foy and John Lithgow, The Crown by Peter Morgan, featuring additional historical background and beautifully reproduced archival photos and show stills. Elizabeth Montbatten never expected her father to die so suddenly, so young, leaving her with a throne to fill and a global institution to govern. Crowned at twenty-five, she was already a wife and mother as she began her journey towards becoming a queen. As Britain lifted itself out of the shadow of war, the new monarch faced her own challenges. Her mother doubted her marriage; her uncle-in-exile derided her abilities; her husband resented the sacrifice of his career and family name; and her rebellious sister embarked on a love affair that threatened the centuries-old links between the Church and the Crown. This is the story of how Elizabeth II drew on every ounce of resolve to ensure that the Crown always came out on top. Written by the show’s historical consultant, royal biographer Robert Lacey, and filled with beautifully reproduced archival photos and show stills, The Crown: The Official Companion: Volume 1 adds expert and in-depth detail to the events of the series, painting an intimate portrait of life inside Buckingham Palace and 10 Downing Street. Here is Elizabeth II as we've never seen her before.

**Dressing the Queen**

A tribute to the life and enduring reign of Elizabeth II draws on numerous interviews and previously undisclosed documents to juxtapose the queen's public and private lives, providing coverage of such topics as her teen romance with Philip, her contributions during World War II and the scandals that have challenged her family. (This book was previously listed in Forecast.)

**Text 2 Lovers**

This book can help you make shame, guilt and anger your allies instead of our enemies. They can become keys to your inner life and to your dreams. Getting to know these feelings will help you better meet your needs for respect, acceptance, belonging and freedom. What would be possible if you no longer needed to shrink yourself to avoid shame or guilt?

**A Knife in the Fog**

Queen Elizabeth II - Britain's longest-serving monarch, Supreme Governor of the Church of England and the Head of the Commonwealth - has reigned over us for a record-breaking sixty-seven years. Now in her ninety-fourth year, this timely celebration sheds new light on the myriad attributes and personal qualities she brings to the nation. From fortitude in the face of adversity to standing as the nation's ambassador all over the world, no one could doubt the work ethic that powers this remarkable woman, even into her nineties. Equally, her love of family - from her rock of over sixty years' marriage, Prince Philip, to her great grandchildren - shines through. But what are the secrets of her success? How does she still approach her day-to-day with such vitality and aplomb, even when culture and society are changing rapidly all around her? The Queen on fame: When an MP commented that it must be a strain meeting so
many strangers all the time, the Queen smiled, 'It is not as difficult as it might seem. You see, I don't have to introduce myself. They all seem to know who I am.' The Queen on fashion: In the late sixties when Mary Quant and the mini skirt came to epitomise all that was fashionable, Princess Anne suggested her mother might also consider shortening her hemline. The Queen was adamant, 'I am not a film star.' The Queen on family: As Great Britain's most famous great grandmother, it is no surprise that the Queen values family life. Marriage gains from the web of family relationships between parents and children, grandparents and grandchildren, cousins, aunts and uncles. In this book Karen Dolby unpicks the key elements that make the Queen so special - and so loved - and presents a guide to how you too could put into practice some of Her Majesty's traits to help overcome adversity, find inner strength and present yourself as wonderfully considered and calm, even when all about you seems in chaos.

**The Year of the Queen’s Diamond Jubilee**

Discover untold secrets with this extraordinary memoir of drama and tragedy by Anne Glenconner—a close member of the royal circle and lady-in-waiting to Princess Margaret. Anne Glenconner has been at the center of the royal circle from childhood, when she met and befriended the future Queen Elizabeth II and her sister, the Princess Margaret. Though the firstborn child of the 5th Earl of Leicester, who controlled one of the largest estates in England, as a daughter she was deemed “the greatest disappointment” and unable to inherit. Since then she has needed all her resilience to survive court life with her sense of humor intact. A unique witness to landmark moments in royal history, Maud of Honor at Queen Elizabeth’s coronation, and a lady in waiting to Princess Margaret until her death in 2002, Anne’s life has encompassed extraordinary drama and tragedy. In Lady in Waiting, she will share many intimate royal stories from her time as Princess Margaret’s closest confidante as well as her own battle for survival: her broken-off first engagement on the basis of her “mad blood”; her 54-year marriage to the volatile, unfaithful Colin Tennant, Lord Glenconner, who left his fortune to a former servant; the death in adulthood of two of her sons; a third son she nursed back from a six-month coma following a horrific motorcycle accident. Through it all, Anne has carried on, traveling the world with the royal family, including visiting the White House, and developing the Caribbean island of Mustique as a safe harbor for the rich and famous-hosting Mick Jagger, David Bowie, Raquel Welch, and many other politicians, aristocrats, and celebrities. With unprecedented insight into the royal family, Lady in Waiting is a witty, candid, dramatic, at times heart-breaking personal story capturing life in a golden cage for a woman with no inheritance. **The Other Side of the Coin**

A charming collection of quotes and anecdotes celebrating England’s Queen Elizabeth II, the incomparable British monarch. When we think of the queen, we probably picture a serious, dignified personage complete with majestic hat and matching handbag. But The Wicked Wit of Queen Elizabeth II reveals a side of the monarch the public rarely sees, her healthy sense of humor: sometimes silly, sometimes sarcastic—and occasionally unintentional (to guitar legend Eric Clapton: “Have you been playing long?”)! This is a delightful celebration of the queen’s humor revealed through her own words on topics from family and travel to pets and hobbies, as well as stories from the royal household of Britain’s longest-serving monarch. In addition to the queen, other royals get in their two cents, including the famously filterless Prince Philip and the acerbic Princess Margaret, as well as Prince Charles and Princess Anne.

**English Costume**

Christopher Chadwick is not one of the best known and biggest selling authors or writers of all time; he hasn’t produced any best sellers or romantic twists and turns nor stand alone thrillers, what he is; Christopher is passionate and enthusiastic about encouraging all children to read... to love reading in their own language and that of others. He has tried to create a book that is dedicated to young people... young readersand to their parents and care givers a book with an enchanting, fun story of everyday life turned upside down... a book which can stand alone on the book shelf and be read any time or more importantly be one that is taken down and read as a good book at bed time a book to send young people to sleep!. Interview with Christopher Chadwick was asked; Where did the idea for this book at bedtime come from? He replied; I have always loved reading the story The Tiger who came to tea to my own children and those in my care. I read the story one day early this year to a class of four year olds and it struck me what if it was another animal, person, creature, who came to tea who just dropped in how we would feel. So my mind was buzzing and as I had seen on the TV and read about all the plans for the year 2012 for the Queens Jubilee I THOUGHT WOW what if the most important and influential person in the UK was invited to tea; what if... How would I what would happen what changes what repercussion...my pen started to fly across the page What is this amazing story about...Its about an ordinary little girl called Lillibet, a reluctant reader who out of the blue gets invited to meet the Queen of England in her own home; it describes her adventure of making plans with her mum, paving the way at school with her classmates and all their questions dealing with security communicating to the Queen and her officeaand a secret is revealed. Lillibet tries to remain calm and help her mum to get ready for the big day but will it all work out as planned What about that naughty cat next door could he upset the queens dogs and where should she put the Queens horses!!! Christopher Chadwick is Head teacher of an International Primary School in Hong Kong.
The Queen's Diamonds

The perfect sticker book for aspiring Princesses everywhere! Style the most glamorous royal of the moment, Catherine, Duchess of Cambridge, in beautiful outfits for every occasion; from a country walk at Balmoral, to the wedding of the century or a jolly jubilee. Mix and match the stickers to create your own fabulous looks, and add accessories and fun items to the backgrounds to complete the scenes in your own unique way.

Victoria & Abdul (Movie Tie-In)

Published on the occasion of the Diamond Jubilee of Queen Elizabeth II, this book tells the story of the magnificent royal inheritance of diamonds from the time of Queen Adelaide in the 1830s to the present day. Illustrated with a wealth of archive material as well as extensive new photography of the jewels, this important publication includes stones of international importance as well as items of great historic significance, and will be a standard work of reference on diamond jewellery for many years to come.

The Wicked Wit of Queen Elizabeth II

Physician Arthur Conan Doyle takes a break from his practice to assist London police in tracking down Jack the Ripper in this debut novel and series starter. September 1888. A twenty-nine-year-old Arthur Conan Doyle practices medicine in London by day and writes at night. His first Sherlock Holmes story, A Study in Scarlet, although gaining critical and popular success, has only netted him twenty-five pounds. Embittered by the experience, he vows never to write another "crime story." Then a messenger arrives with a mysterious summons from former Prime Minister William Gladstone, asking him to come to London immediately. Once there, he is offered one month's employment to assist the Metropolitan Police as a "consultant" in their hunt for the serial killer soon to be known as Jack the Ripper. Doyle agrees on the stipulation his old professor of surgery, Professor Joseph Bell—Doyle's inspiration for Sherlock Holmes—agrees to work with him. Bell agrees, and soon the two are joined by Miss Margaret Harkness, an author residing in the East End who knows how to use a Derringer and serves as their guide and companion. Pursuing leads through the dank alleys and courtyards of Whitechapel, they come upon the body of a savagely murdered fifth victim. Soon it becomes clear that the hunters have become the hunted when a knife-wielding figure approaches.

The Smitten Kitchen Cookbook

The city of Rome, Georgia, nestled in the foothills of the Appalachian mountains and occupying the administrative center of Floyd County, is not known for its production of nation-wide news. Indeed, to the outside observer, the city (home to 36,000) would likely appear as nondescript as any mid-sized, somewhat detached American city would be. As the nation would discover in mid-2004, however, even places like Rome can produce a scene of such horror as to grip a country by the hair, gluing its citizens to their TV screens. On the morning of July 5, 2004, an employee of Rome's Frito-Lay distribution center was pulling into work when he noticed a man standing by the doorway. The employee initially thought nothing of the stranger, since workers commonly arrived at the center during dawn. A few moments, however, it became clear that the man standing by the doorway was visibly nervous, and he made a hasty exit. Naturally, the witness entered the building to see what the stranger had been up to. What he found was the body of Thad John Glenn Reynolds, 36 years old. He was stabbed a total of 19 times and was left for dead. The ensuing media coverage and police investigation shook Rome to its core. Thad John Glenn Reynolds, Frito-Lay's district manager for the Rome/Cartersville area, was, by virtually all accounts, an inordinately kind-hearted, gentle, caring person, who also happened to serve as church deacon. It was natural for anyone following the story to question motive, and of course to convey their sympathies to the victim's family members. That's where things take a turn deeper into the dark.

Lady in Waiting

Named One of the Best Books of the Week by the New York Post! In a historical debut evoking the style of The Crown, the daughter of an impoverished noble is swept into the fame and notoriety of the royal family and Princess Margaret's fast-living friends when she is appointed as Margaret's second Lady-in-Waiting. Diana, Catherine, Meghan...glamorous Princess Margaret outdid them all. Springing into post-World War II society, and quite naughty and haughty, she lived in a whirlwind of fame and notoriety. Georgie Blalock captures the fascinating, fast-living princess and her "set" as seen through the eyes of one of her ladies-in-waiting. In dreary, post-war Britain, Princess Margaret captivates everyone with her cutting edge fashion sense and biting quips. The royal socialite, cigarette holder in one hand, cocktail in the other, sparkles in the company of her glittering entourage of wealthy young aristocrats known as the M argaret Set, but her outrageous lifestyle conflicts with her place as Queen Elizabeth's younger sister. Can she be a dutiful princess while still dazzling the world on her own terms? Post-war Britain isn't glamorous for the Home Counties like Vera Strathmore. While writing scandalous novels, she dreams of living and working in New York, and regaining the happiness she enjoyed before her fiancé was killed in the war. A chance meeting with the Princess changes her life forever. Vera amuses the princess, and what-or who—Margaret wants, Margaret gets. Soon, Vera gains Margaret's confidence and the privileged position of second lady-in-waiting to the Princess. Thrust into the center of Margaret's social and royal life, Vera watches the princess's love affair with dashing Captain Peter Townsend unfurl. But while Margaret, as a member of the Royal Family, is not free to act on her desires, Vera soon...
wants the freedom to pursue her own dreams. As time and Princess Margaret's scandalous behavior progress, both women will be forced to choose between status, duty, and love...

**Hawaii's Story**

This work presents dynamic and interpretive photographs of British ballgowns spanning 60 years and includes designs by Alexander McQueen, Bellville Sassoon, Bill Gibb Erdem and Stella McCartney.

**Prudence and the Professor**

A Collection of Matt Shaw's heartbreaking dramas Matt Shaw does not just write horror. In fact, when asked what his favourite books are, he often names the tales collected within this set. Stories of heartbreak, loss and grief - all with an element of hope. A hope we often forget when dealing with grief. Contained within this collection Heaven's Calling. Boy: Built to Love The Missing Years of Thomas Pritchard (unpublished short story) Alone Heaven's Calling. Josh and Holly could face anything thrown at them all the time they had each other. Their love would conquer anything and the world was their oyster. But when a tragic accident tears Josh away from Holly she realises that, without her husband, she cannot cope and her world begins to crumble; her loss being more than she can handle. Until, that is, she receives a phone call. Her late husband. The same time every day; he doesn't appear to know what has happened to him and Holly can't bring herself to tell him. She isn't even sure if it really is him calling or whether it's all in her tormented mind. Especially if the calls only happen when she is alone. Is it all in her head, has she gone mad, or is heaven really calling? Boy: Built to Love No parent should have to bury their own child and yet that was exactly what they had to do. Stillborn; a young boy never to open his eyes to take in the world around him. And now Lucy and Jack's marriage was on the verge of crumbling under the strain of the grief they struggled to cope with. A grief made worse when the doctors tell them they'll never be able to have a child of their own due to complications from the last pregnancy. But what if it didn't have to be that way? What if there was a way of using science and technology to create a son they could love? What if Jack was able to use Artificial Intelligence to create A Boy: Built to Love? Is the answer to their problems to be found within the world of science-fiction or are they setting themselves up for yet more grief and sadness? The Missing Years of Thomas Pritchard A ugust 3rd. 6:03am. The tranquil summer's morning was shattered by the desperate screams of Thomas' mother echoing down the near deserted suburban street. The few people milling about outside getting ready for their daily business had said they couldn't make out what the cries were about when they were interviewed. Not initially. Not until Anne, a pretty woman in her early thirties with shoulder length blonde hair, spilled out onto the street wearing nothing more than her dressing gown and slippers anxiously calling out for her five year old son, Thomas, to come out from wherever he was hiding. Eye witnesses reported Anne was closely followed by her husband Bill - a professional, clean-shaven man in his late thirties with dark, short hair - half dressed for work in his suit trousers and unbuttoned white shirt, and that he too looked just as frantic as the mother did. The year was 2003; the year Thomas disappeared from his home without a trace. * * * * * A ugust 3rd. 6:03am. A young, fragile looking hand knocked confidently on the white PVC of the front door to number twenty-two. The hand belonged to a smartly dressed, skinny fourteen year old, fresh-faced boy. Whilst waiting for an answer to his knocking he slid a brown leather satchel off his shoulder down onto the floor as though the weight was too much for him to bear any more. He went to knock again but stopped himself when he heard the sound of footsteps from the other side of the door as the freshly woken homeowner came to answer his initial knocking. There was the slightest of pauses as keys were twisted in locks before the door opened as much as the strong, gold, security chain would permit it. "Can I help you?" asked the homeowner, a frail looking woman in her late sixties. "Where's my mum?" asked the boy. The year was 2012; the year Thomas came home.

**The Victorian Half Century**

Voodoo for the Other Woman is a collection of largely narrative poems about the triumphs and troubles of relationships from 1960s Appalachia to today, from the narrator's parents' hardscrabble marriage to her own young marriage and its subsequent unraveling.

THE OFFICIAL BOOK, FULLY ENDORSED BY QUEEN ELIZABETH II From Her Majesty's trusted confidant and Dresser Angela Kelly LVO comes a lavishly designed book of never-before-seen photos of The Queen, Her wardrobe and Her jewels and features intimate anecdotes from Angela’s 25-year career working closely with Her Majesty. A truly unique keepsake and collectors’ item to be treasured. ‘For the nearly seven decades of her reign, Her Majesty The Queen has used clothing to create a powerful visual identity that transcends fashion and has made her perhaps the most readily identifiable person on the planet. Angela Kelly, building on the work of the great designers and milliners who have worked with Her Majesty through the years – including couturiers Sir Norman Hartnell, Sir Hardy Amies, and Ian Thomas, and milliners such as Simone Mirman and Freddy Fox – brings her own imagination to bear on an iconic “uniform” that suggests continuity and tradition, and ensures that the wearer is always the most visible person in a room or a crowd.’ – Anna Wintour, Vogue When Angela Kelly and The Queen are together, laughter echoes through the corridors of Buckingham Palace. Angela has worked with The Queen and walked the corridors of the Royal Household for twenty-five years, initially as Her Majesty’s Senior Dresser and then latterly as Her Majesty’s Personal Adviser, Curator, Wardrobe and In-house Designer. As the first person in history to hold this title, she shares a uniquely close working relationship with The Queen. In The Other Side of the Coin, The Queen has personally given Angela her blessing to share their extraordinary bond with the world. Whether it’s preparing for a formal occasion or brightening Her Majesty’s day with a playful joke, Angela’s priority is to serve and support. Sharing never-before-seen photographs – many from Angela’s own private collection – and charming anecdotes of their time spent together, this revealing book provides memorable insights into what it’s like to work closely with The Queen, to curate her wardrobe and to discover a true and lasting connection along the way. ‘The book documents the unique working relationship between Her Majesty The Queen and the woman who has been her Personal Assistant and Senior Dresser for more than two decades: Angela Kelly. It gives a rare insight into the demands of the job of supporting the Monarch, and we gain privileged insight into a successful working relationship, characterized by humor, creativity, hard work, and a mutual commitment to service and duty. Angela is a talented and inspiring woman, who has captured the highlights of her long career with The Queen for us all to share.’ – Samantha Cohen, Assistant Private Secretary to The Queen (2011-2018)

**The Crown**

When The Queen appears in public, she is naturally the centre of attention. What lies behind her unfailing sense of style? Here are first-hand accounts of those directly responsible for The Queen's wardrobe. Learn the process of creating the wardrobe for The Queen's Diamond Jubilee, and the many months spent in planning and working to deliver this special, historical year.

**Voodoo for the Other Woman**

It's the start of nothing good. I fired off a storm of raunchy text messages to the wrong number. And he replied. Him: Show me a picture. Him: Tell me your name. Why does the lure of anonymity have me craving to indulge a stranger? It's the start of everything right. I received a slew of text messages when everything in my life was wrong. And she made me laugh again. Her: You're probably a creeper. Her: Possibly a stalker. Why do I have the overwhelming need to find this stranger who saved me and make her mine? Him: Take a chance with me. Her: This is crazy. Him: I need to see you. Her: What are we doing? Him: We're about to find out. Her: PHOTO ATTACHED. Him: PHOTO ATTACHED

**Our Rainbow Queen**

Chronicles the metamorphosis of a frumpy pudgy sloane, via the intensive training of Vogue, to the fashionable trend setter of the 90's, and culminates in the extraordinary New York sale of her dresses.

**The Final Curtsey**
Queen Elizabeth II's Guide to Life

Civil War widow Prudence Worthington has vowed to never again be at the mercy of a man. She's determined to make her own way in the world after being one of the first women to graduate from a business school in upstate New York. In search of adventure and independence she takes a position as a personal secretary to an eccentric inventor and heads to Montana Territory. Professor Gerrit Rhinehart must develop his newest invention to meet a critical deadline. Someone is willing to do almost anything to stop him, and the distraction of a raven haired beauty he hired as his secretary makes it impossible to concentrate. But he must stay focused, especially when his invention could change the course of the War-Between-the-States. Discover a rollicking steampunk romance from an award-winning author. The first book in the Brides of Jubilee series.

Tears

Once upon a time, in 1930s England, there were two little princesses named Elizabeth and Margaret Rose. Their father was the Duke of York, the second son of King George V, and their Uncle David was the future King of England. We all know how the fairy tale ended: When King George died, "Uncle David" became King Edward VIII—-who abdicated less than a year later to marry the scandalous Wallis Simpson. Suddenly the little princesses' father was King. The family moved to Buckingham Palace, and ten-year-old Princess Elizabeth became the heir to the crown she would ultimately wear for over fifty years. The Little Princesses shows us how it all began. In the early thirties, the Duke and Duchess of York were looking for someone to educate their daughters, Elizabeth and Margaret, then five- and two-years-old. They already had a nanny—a family retainer who had looked after their mother when she was a child—-but it was time to add someone younger and livelier to the household. Enter Marion Crawford, a twenty-four-year-old from Scotland who was promptly dubbed "Crawfie" by the young Elizabeth and who would stay with the family for sixteen years. Beginning at the quiet family home in Piccadilly and ending with the birth of Prince Charles at Buckingham Palace in 1948, Crawfie tells how she brought the princesses up to be "Royal," while attempting to show them a bit of the ordinary world of underground trains, Girl Guides, and swimming lessons. The Little Princesses was first published in 1950 to a furor we cannot imagine today. It has been called the original "nanny diaries" because it was the first account of life with the Royals ever published. A though hers was a touching account of the childhood of the Queen and Princess Margaret, Crawfie was demonized by the press. The Queen Mother, who had been a great friend and who had, Crawfie maintained, given her permission to write the account, never spoke to her again. Reading The Little Princesses now, with a poignant new introduction by BBC royal correspondent Jennie Bond, offers fascinating insights into the changing lives and times of Britain's royal family.

The Queen

Jubilee

Soon to be a Major Motion Picture starring Dame Judi Dench from director Stephen Frears, releasing September 22, 2017. History's most unlikely friendship—this is the astonishing story of Queen Victoria and her dearest companion, the young Indian Munshi Abdul Karim. In the twilight years of her reign, after the devastating deaths of her two great loves—Prince Albert and John Brown—Queen Victoria meets tall and handsome Abdul Karim, a humble servant from Agra waiting tables at her Golden Jubilee. The two form an unlikely bond and within a year Abdul becomes a powerful figure at court, the Queen's teacher, her counsel on Urdu and Indian affairs, and a friend close to her heart. This marked the beginning of the most scandalous decade in Queen Victoria's long reign. As the royal household roiled with resentment, Victoria and Abdul's devotion grew in defiance. Drawn from secrets closely guarded for more than a century, Victoria & Abdul is an extraordinary and intimate history of the last years of the nineteenth-century English court and an unforgettable view onto the passions of an aging Queen.

Game of Crowns

The New York Times bestselling, IACP award-winning cookbook (and a Cooking Light Top 100 Cookbook of the Last 25 Years) from the celebrated food blogger and founder of smittenkitchen.com. Deb Perelman loves to cook. She isn't a chef or a restaurant owner—she's never even waitressed. Cooking in her tiny Manhattan kitchen was, at least at first, for special occasions—and, too often, an unnecessarily daunting venture. Deb found herself overwhelmed by the number of recipes available to her. Have you ever searched for the perfect birthday cake on Google? You'll get more than three million results. Where do you start? What if you pick a recipe that's downright bad? With the same warmth, candor, and can-do spirit her award-winning blog, Smitten Kitchen, is known for, here Deb presents more than 100 recipes—almost entirely new, plus a few favorites from the site—that guarantee delicious results every time. Gorgeously illustrated with hundreds of her beautiful color photographs, The Smitten Kitchen Cookbook is all about approachable, uncompromised home cooking. Here you'll find better uses for your favorite vegetables: asparagus blanketing a pizza; ratatouille dressing up a sandwich; cauliflower masquerading as pesto. These are recipes you'll bookmark and use so often they become your own, recipes you'll slip to a friend who wants to impress her new in-laws, and recipes with simple ingredients that yield amazing results in a minimum amount of time. Deb tells you her favorite summer cocktail; how to lose your fear of cooking for a crowd; and the essential items you need for your
own kitchen. From salads and slaws that make perfect side dishes (or a full meal) to savory tarts and galettes; from Mushroom Bourguignon to Chocolate Hazelnut Crepe Cake, Deb knows just the thing for a Tuesday night, or your most special occasion.

**THE INSTANT NEW YORK TIMES BESTSELLER** Veteran style journalist Elizabeth Holmes expands her popular Instagram series, So Many Thoughts, into a nuanced look at the fashion and branding of the four most influential members of the British Royal Family: Queen Elizabeth II; Diana, Princess of Wales; Catherine, The Duchess of Cambridge; and Meghan, The Duchess of Sussex. Kate Middleton and Meghan Markle are global style icons, their every fashion choice chronicled and celebrated. With all eyes on them, the duchesses select clothes that send a message about their values, interests, and priorities. Their thoughtful sartorial strategies follow in the footsteps of Queen Elizabeth II and Diana, Princess of Wales, two towering figures known for using their personal style to great acclaim. With one section devoted to each woman, HRH is a celebration of their stories and their style, pairing hundreds of gorgeous photographs with extensive research. A picture emerges of the British monarchy’s evolution and the power of royal fashion, showing there’s always more than what meets the eye.

Elizabeth the Queen

The Renaissance Faire—a 50 year-long party, communal ritual, political challenge and cultural wellspring—receives its first sustained historical attention with Well Met. Beginning with the chaotic communal moment of its founding and early development in the 1960s through its incorporation as a major “family friendly” leisure site in the 2000s, Well Met tells the story of the thinkers, artists, clowns, mimes, and others performers who make the Faire. Well Met approaches the Faire from the perspective of labor, education, aesthetics, business, the opposition it faced, and the key figures involved. Drawing upon vibrant interview material and deep archival research, Rachel Lee Rubin reveals the way the faires established themselves as a pioneering and highly visible counter cultural referendum on how we live now—our family and sexual arrangements, our relationship to consumer goods, and our corporate entertainments. In order to understand the meaning of the faire to its devoted participants, both workers and visitors, Rubin has compiled a dazzling array of testimony, from extensive conversations with Faire founder Phyllis Patterson to interviews regarding the contemporary scene with performers, crafters, booth workers and “playtrons.” Well Met pays equal attention what came out of the faire—the transforming gifts bestowed by the faire’s innovations and experiments upon the broader American culture: the underground press of the 1960s and 1970s, experimentation with “ethnic” musical instruments and styles in popular music, the craft revival, and various forms of immersive theater are all connected back to their roots in the faire. Original, intrepid, and richly illustrated, Well Met puts the Renaissance Faire back at the historical center of the American counterculture.
