Here's a Bitcoin Timeline for Everything You Need To Know

Like many of you, I got burned by hodling too long through 2017/2018. "Hodl" is a stupid meme for newbs. I learned the hard way. So called "fundamentals" ('solid team', 'awesome project', 'upcoming partnerships') don't reflect the price in a company that received its funding before it has ever proven anything (that's the primary difference between an ICO and an IPO).

Are your crypto investments legal? Here's everything you need to know about Cardano Cryptocurrency.

First, you'll need an account on a cryptocurrency exchange. These platforms allow you to buy, sell and hold virtual currency. Coinbase is one of the most well-known platforms.
